

Welcome Message from Crista Renner

107th President (2026–2027), Rotary Club of Guelph

July 1, 2026

It is a profound honour and responsibility to serve as the 107th President of the Rotary Club of Guelph with its enduring legacy of service – locally and globally. In my role, I will honour the past and look into the future by embracing the Rotary International theme: **Create Lasting Impact**.

Whether you are a long-standing member, a new friend, a past member or someone curious about Rotary, I invite you to join us. Come to a Friday meeting. Volunteer alongside us. Bring your questions, your ideas. There is a place for you here.

Our club's strength is rooted in the incredible legacy of our long-time members. We are surrounded by a group of people who have built a solid foundation of "Service Above Self" that has sustained us for 106 years. I will honour that history by ensuring our work remains relevant and vibrant for another hundred years. To create lasting impact, we must blend the wisdom of tradition with a vision for relevance, growth and innovation.

Our community thrives when we are deeply connected to one another. Whether we are meeting on Fridays, planting trees, feasting on lobster or greeting people at the park, my goal is to cultivate a space where every member feels seen, valued, appreciated and loved. My hope is that we grow not just in numbers, but also in service and reach, through hearts. By strengthening our club we ensure that the Rotary Club of Guelph continues to be a symbol of hope in our community and a catalyst for good.

Our combined efforts, a shared passion for service, and our deep connections will help us build for the future.

Yours in Rotary,

Crista Renner
