

Sparkles in the Park 2020 FAQ

What date and times is Sparkles on this year?

Sparkles runs from December 19th through December 31st, 2020. Lights will be on each night from 5:30 PM to 9:30 PM

Is the event drive through only this year?

Yes. The agreement between the Rotary Club of Guelph and the City of Guelph requires the event to be drive through only. Parking lots within the park will be closed during the event. Due to public health concerns, the city has asked us to discourage people from walking through the park and remind people to social distance due to COVID 19 requirements.

Will there be volunteers collecting donations at the gate?

There will be an extremely limited number of Rotarian volunteers collecting donations at the gate for safety reasons. We would prefer not to receive cash. We would encourage you to donate in advance and you will receive a charitable receipt for your donation. However, if you are unable to donate online, we will have a credit card/debit tap machine available so that you can safely donate

The link to donate is [Sparkles](#)

Can I drive through more than once?

If you donate online, you will receive a charitable receipt which can be shown multiple times for entry to the park.

I usually walk through the park in the evening. Can I still do so during the event.

Subject to City of Guelph and Public Health restrictions the park will remain open during the event.
